Mayor Granberg gave an update for the public on the amendment to the Municipal Town Plan.

The town office put out a public notice on August 23, 2024, regarding the proposed amendment to our town Municipal Plan and Development Regulation to allow the expansion of a sand quarry north of the new alignment of Terra Nova Road Route 301. This amendment will rezone approximately eighteen hectares from mixed use to rural use. Any objections or other comments could be submitted in writing to the Town Clerk on or before 12:00PM, Wednesday, September 4, 2024. We received no objections or other comment, so the next step now is to have the proposed amendment submitted to Municipal Affairs for a provincial review.

Mayor Granberg asked if there were any questions or concerns.
